

Road Side Tree Affidavit

APPLICANT INFORMATION	
Name	
Mailing Address	
Phone Number	() - ext.
Project Address	
Building Permit Number	

Pursuant to the State of Maryland Roadside Tree Law (NRA §5-401—5-406, Annotated Code of Maryland), the City of Rockville may not issue a building permit to an applicant for any clearing, construction, or development that will result in the planting, trimming, cutting, removal, or injury of a roadside tree until the applicant first obtains a permit from the State of Maryland Department of Natural Resources.

A roadside tree is any tree that grows all or in part within a public road right-of-way. A roadside tree permit is also needed to plant a tree within the public road right-of-way. If tree care or removal is performed on a roadside tree without a permit, the Maryland DNR Forest Service may assess a fine or more severe actions.

This project DOES DOES NOT involve the planting, trimming, cutting, removal or injury of a roadside tree as provided in the State of Maryland Road Side Tree Law.

I hereby certify that I have the authority to make the foregoing application, that the application is correct, and that the management of roadside trees shall conform to the regulations Maryland State Roadside Tree Law. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating the management of roadside trees.
